Dear Parent/Guardian

GCSE Mathematics Revision Guide

In Year 10 many pupils took up the opportunity to purchase their own Maths revision guide to assist them with the preparation for external examinations. We still have a few books left in stock so if you missed the opportunity last year but you now wish to purchase a revision guide you can order and pay for this through ParentPay. The cost is £6.

The book is very clearly laid out and includes all the information that your child has covered in their Mathematics course. Please note this is the same book that many pupils purchased last year – only order this if you missed the opportunity last year but are now interested.

If your child is eligible for Pupil Premium Funding they will have already been provided with a Maths Revision Guide on long term loan, please check with them that they know where this is so that they can use it effectively during Year 11.

If you wish to order a Maths revision guide through school then this must be done by **Friday 29th September**.

Yours sincerely

Mrs R Burne
Head of Mathematics
