## Vacancy

### **Mathematics Teacher Degree Apprenticeship**

Full Time, Fixed Term for 46 months

**Pay Scale: Unqualified- Point 1, £21,731**

A fantastic opportunity has arisen to join the dynamic staff team at West Park School for September 2025. A Teaching Apprenticeship in Secondary Mathematics offers a route to Qualified Teacher Status (QTS) while working in a school. The program combines practical teaching experience with academic study. It allows aspiring teachers to gain a BSc (Hons) Mathematics and Education with Qualified Teacher Status (QTS) and become a maths teacher without needing a prior degree.

- ❖ Would you like to work in a single academy trust that has the autonomy to make the best decisions for their staff and pupils?
- ❖ Would you be inspired by working in a school where you are trusted as a professional and have the space to deliver creative and inspiring lessons?
- ❖ Would you flourish in a school that uses funding streams to benefit learning and to encourage modern and innovative approaches to learning, including Virtual Reality?
- ❖ Would you enjoy being part of a big school family that is at the centre of its community and supports stakeholders with its own eco-shop, community events and parent workshops?
- ❖ Would you thrive with the support of a unique well being offer with creative approaches to staff development, imaginative CPD opportunities and staff support services on site?
- ❖ Could you be the newest addition to a well-established staff team contributing to our calm and purposeful environment which allows staff to teach and support and pupils to flourish and achieve?

The Maths Department at West Park is a successful, supportive and highly skilled team of teachers and teaching assistants, staffed entirely with subject specialists. It is a vibrant and ambitious department dedicated to continual professional development, co-operation and sharing excellent practice. We are committed to appointing only the most inspirational future teachers. Our teachers routinely deliver great lessons, which are well planned, challenging, innovative and active for our pupils. The successful applicants will be supported in sharing their practice with colleagues and contributing to our in-house programme of continuing professional development.

The School is staffed with experts in many areas of education and provides an excellent place for aspiring teachers to develop their skills both in and out of the classroom, providing
